WELCOME TO THE TOWNSHIP OF UNION DEPARTMENT OF PUBLIC WORKS WEBSITE

Sergio P. Panunzio CPWM, CPM.
Superintendent

SUPPORT SERVICES DIVISION

Drew Landolfi, Engineering Aide

INSPECTION DIVISION

The Township of Union Department of Public Works Support Services Division is responsible to issue permit applications or certain construction and storage purposes.

Permits needed include:

- Sidewalk & Curb Construction
- Driveway Apron Construction
- Openings on Public Streets
- Storage of Materials on Streets
- Storage of Materials on Private Property

The owner or occupant shall be responsible for the maintenance of the area abutting such property between the street property line and pavement or roadway, including landscape ground cover, construction of curbing and/or sidewalk, reconstruction and/or replacement of defective or hazardous curb and sidewalk. The aforementioned area shall not be paved by the owner or occupant unless specifically authorized the Superintendent of Public Works in writing.

Sidewalk and Curb Construction

It is unlawful to construct or remove any curb or sidewalk, or any part thereof within any public right of way of the Township of Union without a permit being first secured from the Township of Union Department of Public Works. Sidewalk and Curbing shall be cast in place concrete or Belgian block conforming to current Township specifications. For more information regarding sidewalk or curb permits, contact the Department of Public Works at **(908) 686-1922**.

Additionally

The Township of Union Department of Public Works Support Division is responsible to assist the department and residents with minor (Non Engineering) determinations or certain construction and surveying purposes for our construction crews

Assistance needed include:

- Tree Determination
- Property Line Determination
- Utilities Determination
- Road Survey
