

Dear Claimant:

Your claim will not be considered as filed and cannot be evaluated until you return the completed form and provide the information required.

You should be aware of the fact that the New Jersey Tort Claims Act included limitations on claims against public bodies and established time limits for the filing of those claims.

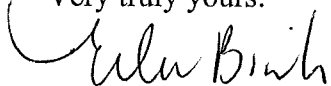

Notice of the claim against the public body generally must be filed within 90 days after the incident giving rise to the claim. No Notice of Tort Claim may be filed after the 90 day period unless there is an Order from the New Jersey Superior Court allowing the late filing of the Notice of Tort Claim. Such an Order can be granted only within one year from the date of the incident and only where the Court determined that good cause exists to permit the late filing.

Your recent communication in which you indicated an intention to assert a claim against the Township of Union or against an official, employee or Department of the Township of Union has been received.

In accordance with the provisions of the New Jersey Tort Claims Act, the Township of Union has adopted an official form to be completed by any individual seeking to assert a claim against the Township or against any official, employee or Department of the Township.

A copy of the Claim Form is enclosed and includes a form authorizing us to obtain reports with respect to your injury.

Very truly yours:

Eileen Birch
Township Clerk

The Legislature recognizes the inherently unfair and inequitable results which occur in the strict application of the traditional doctrine of sovereign immunity. On the other hand the Legislature recognizes that while a private entrepreneur may readily be held liable for negligence within the chosen ambit of his activity, the area within which government has the power to act for the public good is almost without limit and therefore government should not have the duty to do everything that might be done. Consequently, it is hereby declared to be the public policy of this State that public entities shall only be liable for their negligence within the limitations of this act and in accordance with the fair and uniform principles established herein. All of the provisions of this act should be construed with a view to carry out the above legislative declaration.
